For Pool Builders and New Pool Owners

CamerEye Edge is the AI Smart Pool System You and Your Customers Will Value

DEALER BENEFITS

- Use CamerEye for remote construction monitoring and management on all your job sites.

- Position your company as an authority of innovation.

- Save time and money for your business, and sell this to your customers for ongoing safety and maintenance, which also saves them time and money.

- Support CamerEye CARES initiatives for water safety.

- Free technical support and marketing materials available.

INSPECTION COMPLIANCE

- First and only camera-based pool alarm helps homeowners pass inspection.

- Listed in compliance with ASTM F2208 and UL 2017 pool standards and accepted in many cities and states for safety inspection. Meets ISPSC.

- Replaces door alarms, floating pool alarms, in-pool splash alarms and other barriers.

HOMEOWNER WATER SAFETY AND CARE

- 24/7 live pool monitoring.

- Detection and alerts for people and pets in and around pool areas. Differentiates from other moving objects, reducing false alerts.

- Detection and alarms for swimming distress within seconds for fast response.

- Smart insights into pool health and usage to reduce maintenance and costly repairs.

- Upcoming AI-assisted automation features for convenience, cost and energy savings.

GUARANTEED INSTALLER PROGRAM (GIP):

- Nationwide network of independent installers available for comprehensive installation services at a guaranteed price. This program assists customers needing installations and ongoing support services, ensuring installs are completed within 5 calendar days* from project assignment.

*depending on homeowner availability.

CAMEREYE EDGE SYSTEM INCLUDES

- Artificial Intelligence (AI) Wi-FI Camera with Full HD 1080p Video

- Indoor Wi-Fi Siren Alarm rated above 85 dB as per ASTM F2208 and UL 2017 specifications

- WiFi Door/Window Sensor for UL 2017 compliance

- Power supply cable extension

- Mounting Kit, Batteries, User manual and Monitoring Sticker

- Edge Software Lifetime Plan of app-based features for pool safety and care

- 1-Year Warranty

BUILDERS ONLY

- The Builders package includes the CamerEye Edge system, dedicated secured Builder Portal, and supported platforms to oversee and manage pool construction sites.

- Upcoming AI-assisted automation features for convenience, cost and energy savings.
